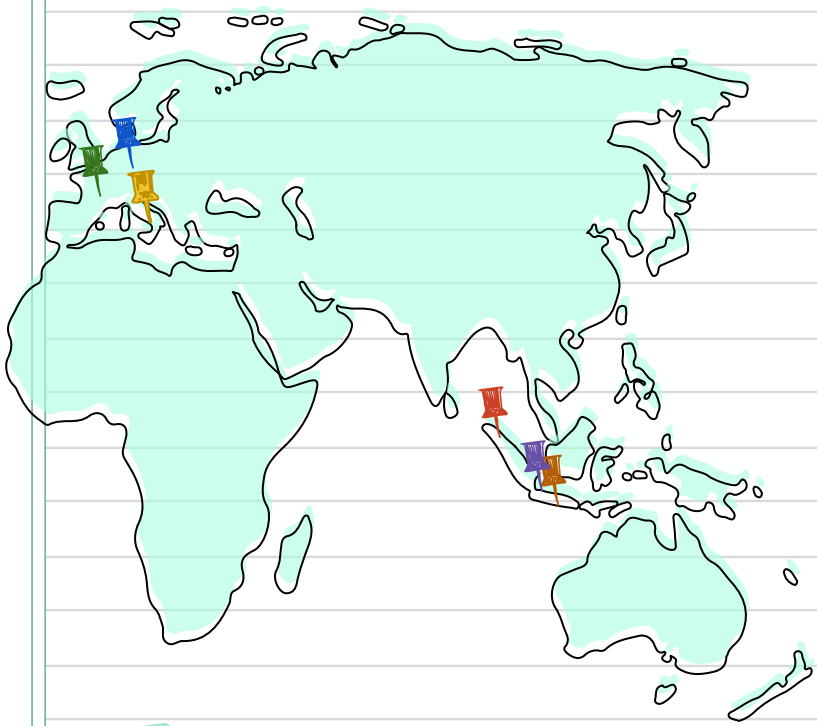
Thu, 27 Aug 2020

Hi, I’m Meisyarah

I teach machine human languages.
I love books, coffee, running, and traveling

I've changed my address several times in the past 10 years



Medan, Indonesia
Graduated from high school in 2012

Yogyakarta, Indonesia
Bachelor of Computer Science, UGM 2012 - 2017

Trento, Italy
Student Exchange, University of Trento, 2015 - 2016

Saarbrücken, Germany
M.Sc in Language Science and Technology, Saarland University, 2017-2018, Oct 2019 - Mar 2020

Prague, Czech Republic
M.Sc. in Computer Science, Charles University, 2018-2019

Now working at a startup based in Bandung, Indonesia.. from home (Medan)

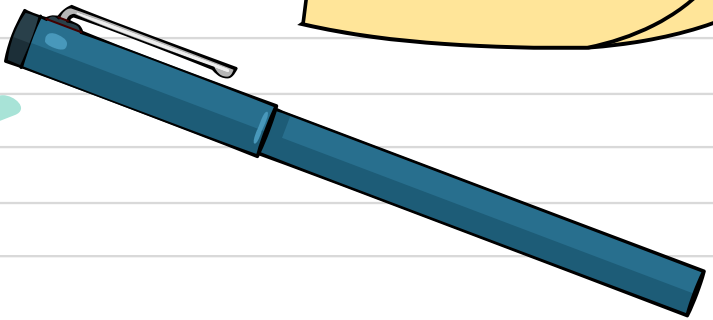
What did I study?

Computational Linguistics

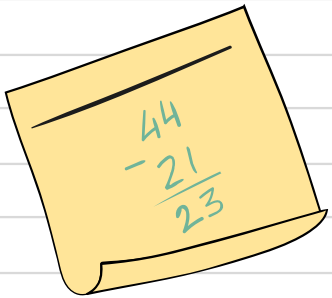
[ˌkampjuˈteɪʃənəl
lɪŋˈgwɪstɪks]

WHY EUROPE?

I always look for opportunities and give my best to achieve my goals.



Thanks, Erasmus+ for funding my Master's study in Europe



Hmm.. what's that?

Erasmus+

- It is a **grant funds** from European Union in the scope of **education**, training, youth, and sports
  - For both Europeans and **non-Europeans**

EDUCATION

International Credit Mobility

- Students
- Academics

Erasmus Mundus Joint Master Degree (EMJMD)

PhD - Marie Sklodowska Curie

Scholar (short-term)

Erasmus Mundus Joint Master Degree

Erasmus+

- Master programs with several partner universities
  - Students move to different university every semester/year
- Joint degree OR double degree
- You choose the **program**, not the countries/universities
- Joining the program **≠** getting the scholarship
- Everything you need to know is on the **program's website**

- Program catalogue: https://eacea.ec.europa.eu/erasmus-plus/library/emjmd-catalogue_en

Learn about this program | Applicants/Alumni | Partners | Docs & Links | About | search

Type of Degree:
Double Degree

Duration:
2 years

Student mobility tracks:
Every student studies one year each at two different European consortium partner universities.

Language of instruction:
English

Scholarship Scheme:

Erasmus Mundus scholarships will be available for intakes 2020 to 2023. Accepted students may also attend on a self financing basis.

The Internal Summer School will take place in late August each year for one week for all students.

For first year students the primary focus will be on joint induction: introduction of the administrative and organizational aspects of the LCT programme; intercultural training; experience exchange with second year students; study-related soft skills training, e.g., study and research methods, academic writing, presentation skills, teamwork, time management

Consortium Partners:

Department of Language Science and Technology, Saarland University in Saarbrücken, Germany (coordinator).
LCT at Saarland University
Information for MSc thesis registration and submission at Saarland University.
European partners

Center for Mind/Brain Sciences (CIMeC), University of Trento (UniTN), Italy.
LCT at the University of Trento
Guide to thesis submission - In this published page, examine the area Completion of the Degree.
European partners

Department of Intelligent Computer Systems, Faculty of Information and Communication Technology, University of Malta, Malta.
LCT at the University of Malta.
Guidelines for thesis submission.
European partners

University of Lorraine (formerly Nancy 2), France.
LCT at the University of Lorraine
Guidelines to the thesis and internship are published here.
European partners

Institute of Formal and Applied Linguistics, Faculty of Mathematics and Physics, Charles University in Prague, Czech Republic.
LCT at the Charles University in Prague
Guidelines for writing a master's thesis.
Inofficial notes for LCT students submitting the thesis at Charles University.

Erasmus+ FAQ

- When does the application start?
- What does the scholarship include?
- What are the requirements?
- Can I apply before I graduate?
- Can I apply to programs unrelated to my majors?
- Do I need to learn foreign languages (apart from English)?
- Do I need to have working experience?
- Should I come back after I finish my study?

The answers are on the program's website.
If unclear, write an email to the contact person.

How was studying in Europe?

- Credit system
- Lectures + practicals
- Self-study vs group
- Seminars and discussion
- Exams vs projects
- Coursework vs research

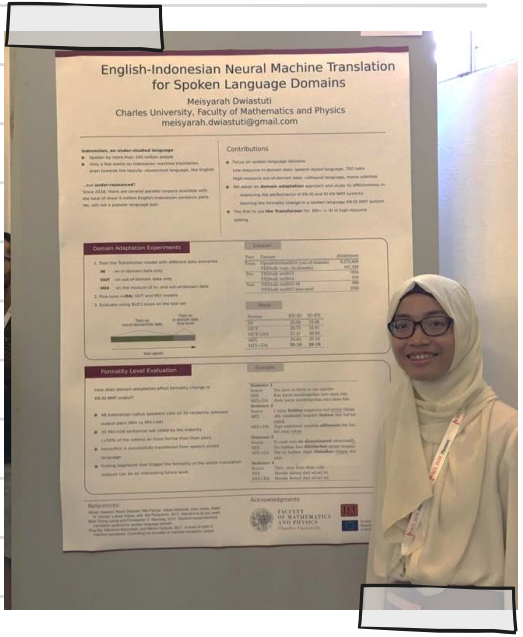
Other things you can do

Part-time job

Max 20 hours/week

Internship

Summer internship or working on thesis



Summer School

A week or two for socializing and learning things

Conference

Meeting researchers and sharing ideas

Don’t forget to have fun!!

Socializing is important

Don’t forget to have fun!!

It’s okay to take a break.
Find activities that you like

I write on my blog, too

Meisyarah

Indonesian. 25 y.o. Computational linguistics graduate. Book addict, coffee lover, runner, and traveler. 55% extrovert.
